

# Quicken for Mac Conversion Instructions

---

*Web Connect*

## Introduction

As we officially integrate our Northwest Community Bank and Litchfield Bancorp, a Division of Northwest Community Bank systems the weekend of April 16th – April 18th you will need to modify your QuickBooks with Direct Connect settings to ensure the smooth transition of your data. To complete these instructions, you will need your login credentials for your ***Litchfield Bancorp, a Division of Northwest Community Bank*** online banking profile.

You should perform the following instructions exactly as described and in the order presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

***Thank you for making these important changes!***
